Re: United States v. Suarez, 19 CR 564 (PAE)

Dear Judge Engelmayer:

I am writing on behalf of defendant Domingo Suarez to respectfully request a 30 day extension of the January 12, 2022 date for Mr. Suarez to surrender and begin service of his 366 day term of incarceration as he has yet to be designated a facility by the Bureau of Prisons. The government, by AUSA Juliana Murray, has no objection to this application. I apologize for the last minute nature of this application, I was only informed this afternoon that Mr. Suarez had yet to be designated.

Thank you for the Court's consideration on this application; I remain available for a teleconference should Your Honor deem it necessary.

Respectfully submitted,

Jeffrey Lichtman

GRANTED. Defendant's surrender date is adjourned until February 11, 2022. The Clerk of Court is requested to terminate the motion at Dkt. No. 44.

SO ORDERED.
